SENSE & DIAGNOSIS

A teal line drawing of a hand with fingers spread, positioned above a stethoscope. The stethoscope is coiled and has a chest piece with a circular dial. The drawing is simple and sketchy.

**An exhibition exploring patient-doctor
relationships from the medical collections
at Chetham's Library and the Manchester
Museum of Medicine and Health**

**Opening times: Monday to Friday
9am -12.30pm & 1.30pm - 4.30pm**
