

Using audio

What do you want to say today?

- **Wimba Voice Tools:** Talk to students in Blackboard, listen to their conversations, record for later playback
- From soundbites to seminars, book our **Edirols** for instant high-quality audio recording
- Use **Audacity** for quick and easy editing or for creating your MP3s directly
- **Podcasts:** You create a series of audio files, your students subscribe, download and listen – anywhere!

HeLP is at hand!
