

Tune in, switch on

HeLP: Humanities eLearning People

Our multimedia service includes:

- advice on using our **ERA+** licence to **record TV and radio** programmes for use in your courses
- **recording** and **producing** bespoke **videos** to your specification
- **equipment loans** and support for you to produce your own **podcasts** or **videos**
- advice on uploading your videos to the **Video Library Service** or in using **iTunesU**
- guidance on using **Wimba Voice Tools** or even **desktop video-conferencing** to exchange ideas with your students
- building **interactive** learning **resources** and **activities** which enable students to check their understanding

HeLP is at hand!
