

October – December 2019

Manchester Urban Ageing Research Group (MUARG) Seminars

The Manchester Urban Ageing Research Group (MUARG) based at the University of Manchester hold regular seminars on important topics in urban ageing, delivered by leaders from research, policy and practice.

The seminars are open to all, so please do come along to hear more about urban ageing and meet people working in this field. For further information please contact:

hayley.james@manchester.ac.uk
