You must have already been accepted (i.e you must already hold an unconditional offer) on to a PGT programme in the School for your funding application to be considered.

Due to the number of applicants that will be eligible to receive one of these scholarships, we will not be able to contact all eligible students to inform them of the outcome. Therefore, only successful applicants will be informed. If you have not been contacted by the end of July 2017, you must assume that you have unfortunately not been awarded a scholarship on this occasion.
